CHURCH NEWS

In future editions of the TIMES-VIRGINIAN, we plan to run the regular church news the first Thursday in each month.

Each week the church news is the same and we feel that this space could be used for important events, such as revivals, church social functions, and the like.

It would be a good idea to clip out your church news if you are not positive of the activities for the month.

If you desire any corrections to the church news previously printed in this paper, please contact us and we will gladly make the necessary corrections. When turning in your church news, please include all activities for the month.

Vacation Bible School At New Hope

Some of us look forward to Hallowe'en with its merriment, some to the Fourth of July with its fireworks; but all (well almost all) of us at New Hope look forward to Vacation Bible School with its interesting stories, the memory work from the Scriptures, the lovely music, the games out under the trees, the picnic with grilled weenerz and all the other goodies.

If you have'nt made plans to attend VBS at New Hope Baptist Church, mark your calendar now so that you'll be present to register on Preparation Day, June 9, at 10 a.m. At 12 noon we will have a picnic that will fill your tummy and fellowship that will warm your heart.

The classes will begin on June 11 at 9 a.m., with qualified teachers on hand to teach you many things about how to understand the Bible, how to tell a story so that your audience will really listen, how to make an eye-catching poster and other exciting things.

The Rev. Deryl Holliday has outlined great plans for classes for young people from 3 to well, just any reasonable age!

Watch your paper each week for more information about VBS at New Hope.

ABOUT YOUR HOME
By April Rhodes

Dry skin doesn't end with the coming of warmer weather. Your diet should contain a certain amount of butter or fat. Creams can't work wonders alone.

The new bare-back fashions demand special attention to one's back. Be sure your posture is good, skin is supple with a smooth look and blemishes camouflaged.

The sun isn't kind to colored hair--protect yours with attractive head gear--triangle scarves or big, floppy hats.

For a delicious ham glaze, combine three-fourths cup orange juice, three tablespoons vinegar, about two tablespoons dry mustard, and bring to a boil.

Whiten your cutting board by rubbing briskly with the inside of lemon rinds. Wash with warm water and dry thoroughly.

A small yard can have much color from May into the fall with a variety of lillies. They're not hard to grow, just follow the simple directions.

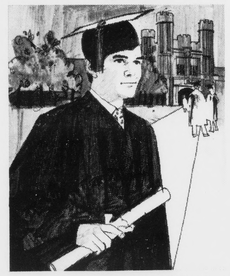
When you get out of high school, you're going to have a lot of questions.


Like getting an interesting job. If you can qualify, you can choose job training in over 300 exciting jobs. Like computer technology and electronics. Like equipment operation and aviation mechanics. It's some of the best training in the world. It's the kind of accomplishment that can help you go places inside the Navy and out.
But the Navy's got more answers than just jobs. There's travel, great starting pay, a join-now, report-up-to-six-months-later plan, and a Naval Reserve two-year active duty plan.
